CAMP KADESH This past weekend we had a training weekend for our summer staff. It is exciting to see how God is bringing a full team together. Many have been praying for the staff whom we are still looking to hire. We could still use one more strong male sr. cabin leader, but God has continued to bring people to fill positions. We are excited that this week we passed the registration number of 1060 campers.

Please pray for our spring staff as they have opportunities to talk about Jesus with the students who come to our spring school programs. It is amazing to hear the opportunities, which are shared every day at our staff meeting.

June 9th will be a mini work day at Camp Kadesh. We have a group of volunteers building our new archery enclosure, and we are looking to clear some trees and do path clean up. If anyone is interested in helping, contact Jonathan Dickey directly. Cell: (306) 940-9077. Email: maintenance@campkadesh.com.

Additionally Jonathan is looking for a new shop compressor. Anyone who would have one to donate or who would like to donate financially towards one, may contact our office or Jonathan directly.

Thanks for your ongoing support of the ministry of Camp Kadesh.
