THANK YOU!!! A big thank you to the youth who helped out with the children's games on Saturday, June 23. We made over \$600 to send to Samaritan's Purse for the victims in Guatemala.

Torch Trail Bible Camp Update We are excited with all that is going on here at Torch Trail. God has provided many campers for our regular camps, and we look forward to three full camps in August for our Peter Ballantyne Cree Nation campers as well.

We are asking God to work in the hearts of people to come and work here for a week. We have many campers, but not enough staff and we do not want to turn people away because we do not have staff to look after them. As you can imagine, it takes a whole army of people to properly manage and teach all the campers each week. We cannot do it without much staff. Would you consider coming to help for even one week? Cabin leading/ kitchen help/life guards. As well, we need people to come to the First Nations Adult Camp just to be here and visit with the people. Please call the camp to learn more of our need and how you could be a part of the solution to share Christ with our campers day by day.

VBS TimeLab VBS is only 6 weeks away!! If you are available, please sign up to be a group leader or a helper. These are very important roles. You will have a great influence on these children in your group, and they will look up to you and learn from you. Please consider participating in this way this summer. Sign up in the foyer by the donation sheet. Also, there are still some donations needed. Please sign up and bring those items ASAP. Registration forms are available on the ledge by the office. Please hand them to Alison when completed.

“Beloved, let us love one another for love is of God; and everyone who loves is born of God and knows God.”
- 1 John 4:7

CAMP KADESH Summer is here! Today is the first week of summer camps. Kids week is almost full with 114 campers*. Please pray for these 8 - 10 year olds that will come to camp. Many of our camper will never have been to church or had any interaction with the Gospel message. Pray for Jillian Dyck our speaker and for our staff as they build relationships with these young campers.

* max registration would be 122 as we run reduced numbers with this younger age group.

Sometimes people think we don't want or need volunteers. That's just not true.

What is true is we have moved away from a full reliance on a volunteers. We see value in young people learning to work at camp. We see value in providing summer jobs. We see value in older volunteers working side by side with younger people. This side by side partnership also means a lighter load for our volunteers (nobody wants to spend 14 hours in the kitchen - let's get everyone outside for some of the day).

If you would like to volunteer in a more traditional behind-the-scenes role, we always welcome people who would like to do maintenance or help in the kitchen or somewhere else. If you have your own trailer, it's even better. If you would like more information about volunteering, contact our Director, Tim Good.
