Samaritan's Purse Thousands of people have been evacuated, and their homes damaged, by devastating flooding in New Brunswick. Some emergency personnel say this flood could be the worst in the province's history.

Samaritan's Purse is looking for volunteers like you to help those affected by the flooding. You do not need any prior experience – we will train you, provide you with personal protective gear, and provide experienced leadership as you assist those in need. Samaritan's Purse is sending a Disaster Relief Unit outfitted with essential disaster recovery equipment including generators, pumps, hand tools, and safety gear for volunteers like you. But we need your help! Please visit SamaritansPurse.ca/NBflood2018 to learn more and to volunteer.

CAMP KADESH We are excited to report that we have surpassed the 1012 campers that was our final registration number for 2017. That being said there are still spots available for campers in a number of weeks. If you know of a child who would benefit from a week at Camp Kadesh, registration is open online.

There is also subsidy still available for campers and families who can not afford the full price of camp. Contact our office about how to apply. The price of a week at camp should never be the reason a camper can't come. If you would like to help support subsidies of campers coming to camp, you can make a donation online at campkadesh.com Please be praying for our staff, who will start on April 30. The Spring season will see about 1600 students come to Camp Kadesh. Please pray for amazing opportunities to share the Gospel with these students. We are also still looking to fill our our great staff roster with two more college-age males. If you know of anyone that might be interested, please encourage them to reach out to Chris Oldham through our camp office.
